

SHAWNA SAPERGIA

Shawna Sapergia and This Chics On Top take the 2006 NRHA Intermediate Open Futurity in a blistering run-off.

When Reining first burst onto the International scene at WEG 2002 at Jerez, Spain, all eyes were on Shawna Sapergia and her home-bred stallion, Pretty Much Eagle, who took the Individual Bronze medal and team Silver.

In 2006, on BL Whiz Kid, she won a spot again on the Canadian WEG team but was unable to make the trip. This year she is looking to return to the WEG arena with Danielle Hall's BL Whizabelle—a 6-year-old daughter of the horse that missed the trip to Aachen.

Shawna's other contender is another spectacular mare—Outrider Ranch's This Chics On Top (Dolly). Dolly took Shawna to the winner's circle at the 2006 NRHA Intermediate Open Futurity after a blistering run-off against Matt Florida.

This year Shawna's competing against her own Dad for a chance to represent Canada on the international stage.
